

THE MECHANICS IN POLE POSITION

Their safety and comfort are improved thanks to this new suit which is made of 100% polycotton fabric and offers a maximum of features, including **floating sleeves**, (more movement), **velcro at the ankles** (easier to fit the feet), **reinforced elbows and knees** (most exposed), **pocket on the left arm** (easy reach).

Available in **5 colours** off the peg (black, grey, navy blue, royal blue, red), they easily can be personalised with direct embroideries or badges, they can also be **customised** to your design and your colours (minimum order apply)
