Stand 21, world leader in made-to-measure equipment for the racing driver, is proud to announce the grand opening of "Stand 21 California". For years Stand 21 has been present in North America with "Stand 21 Georgia" located in Atlanta. Now we want to get closer to our Californian customers. In the years to come, Stand 21 will progressively expand its activity on American soil in order to bring the best service to our customers.
