

New helmet bag

Stand 21 has improved its helmet bag!!!

New features include a stiffer bottom and a maximum of pockets (for visors...) lined with polar plus a special room for the lip and top wing.

Its new ergonomomy will optimise the protection of your helmet from shocks and scratches.

"It is important to improve the products but also the accessories".

This new helmet bag will come along with you on your racing days.

Do not forget to ask your name and flag embroidered for a personal touch.
